

# ELECTRICAL TECHNICIAN'S TOOL KIT

## FROM IDEAL ELECTRICAL

No one supports, understands and equips the electrician quite like IDEAL Electrical. In every product we make, and in everything we do, we are The Electrician's Champion™. As an electrician, you know that the rest of the world relies on your work. And you need a partner who understands what you have to deliver. From cut to test, IDEAL® Electrical is the only brand that touches every part of the process. When it comes to quality, performance and durability, IDEAL is the professional choice for hand tools.
